SURE SHOT GAME CALLS
PO BOX 816
GROVES TX 77619-0816

The evolution of the original double-reed duck call continues with **Sure-Shot Game Calls Yentzen One.**

With a body made from a proprietary material, the One boasts incredible volume. The Screw-Lock design eliminates air loss and the need for o-rings, resulting in a classic duck call that performs reliably and consistently in all weather. Models are available with a sleek black exterior or in cool clear. sureshotgame-calls.com
